Representatives from the Allentown Rescue Mission will be on hand to receive your donations and thank you during the event!

The Allentown Rescue Mission, a 501c3, 123-bed non-profit homeless shelter, has been providing shelter for homeless men since 1900. In addition to emergency shelter services (365 days a year), the Allentown Rescue Mission offers a residential life-skills program, and transitional employment on the Clean Team Workforce. The Clean Team Workforce can be hired by the community, and it pays the men above the PA state minimum. Clean Team Workforce employment helps the men save a nest egg and transition back into the community. In 2021, The Allentown Rescue Mission provided shelter services to 455 men and served over 53,547 meals to men in need.
